## Bible Institute of Tecate Mission International

Under the leadership of Director Kent Traylor, much is happening on the BI campus. During the classes and throughout the day around 50 resident students are allowing God to speak to their hearts and to help them on their spiritual journey. These students come from different states in Mexico and also one student from Honduras. There are 6 dialect groups represented . Many new lessons are learned as they live together 24 hours a day in close quarters. They learn that 'life is not all about ME!' On the weekends these students go to different areas to complete their practical work assignments. Graduates are following the call of God to global missions and several are now laboring as missionaries in other areas of the world. The following are only a few testimonies from students:

*"I am preparing to be a pastor..."*

*"I grew up in an orphanage and I want to go back and work there for a while. I understand how these children and young people feel....."*

*"I want to return to my home area where there is a lot of guerilla activity..... I want to be used to point these hardened hearts to Christ. He is the answer. I speak their dialect...."*

Serving Jesus is so worthwhile! Pastor Antonio Lopez is Chiapas writes, " The second day of the evangelistic campaign, we went door to door to share the Gospel. Four people prayed to receive Christ as Savior....."

## NEWS

February, 2019

### The Nations Are Coming to Us! *Welcome Newcomers!*

After more than 20 years of service in Mexico, Dan and Debbie Bender are now serving the Middle eastern refugee population in El Cajon, California as TMI missionaries. They are building relationships with these newcomers by teaching, loving and caring for both physical and spiritual needs.

God is bringing thousands of people from around the world right to our doorstep. We have an amazing opportunity to share the Good News with many different people groups. The Benders feel honored and privileged to serve these refugees who desire the peace and freedom of America to build a new life for their families. As followers of Jesus, we are commanded to "love our neighbors as ourselves" and show God's love to each of them. *For information on how you can be involved please send an email to [danbender20@gmail.com](mailto:danbender20@gmail.com).*

Dan teaching with Pastor Mkram Shahatit about the biblical values in celebrating American holidays such as Thanksgiving and Christmas.

Debbie welcomes a new baby boy with help from his big sister.

### Proclaiming the Word of God Over the Airwaves

Missionary Esteban Hinojosa directs the radio ministry which broadcasts from 7 am to 9 p.m daily in San Mateo del Mar, Oaxaca in both the Huave dialect and in Spanish. The majority of the homes have a radio therefore this offers a great opportunity for the people of that area to hear the Good News.

### Problem but Not too Big for God

Continually souls are finding Christ as Savior and being disciplined through the effective ministry of Pastor Ever and Lupe Pérez in Ensenada, Mexico.

**PRAYER REQUEST:** The church is carrying a heavy debt on a city utility change to make additional payments on the land. \$13,000 is remaining.

**Pray for God's extra ordinary provision.**

### Sharing Jesus and His Love in Tanzania

Victor and Daniela Estrada are actively learning Swahilli and working diligently with the Tanzanian people. Their 3 year old loves his new little friends who have opened many ministry doors for them.

Pray for the Estados as

they immerse themselves into the Tanzanian culture and seek to learn from their neighbors: friendships are formed with them.
