People Sharing the Good News with People around the World

Sharing the Word of God in Oaxaca City, Mex.

Eduardo and Araceli Morales are church planting in Oaxaca, Oax. God is blessing their ministry in the church plant, called Redeeming Grace Community Church.

Pastor Urbano and his wife Margarita Luría have faithfully served the community of Donaji, Oaxaca for many years as they pastored the Ebenezer Church. Pray with us for God's direction as to whom he should pass the baton of leadership.

Edgar & Jocabed Velasco walk faithfully with the Lord as Edgar pastors the Door of Salvation Church in Oaxaca. Their ministry includes AWANA, feeding kitchen and more.

Rebeca Perez has a love for children and helping them develop their musical talents to honor the

Lord. She teaches instrumental and singing classes as well as working in the Redeeming Grace Community Church.

Sharing God's Love in Difficult Areas

God has called TMI missionaries to serve in different places of this world. Each one seeks to share the message of the Gospel. As some of our missionaries are

working in limited access areas they must be very prudent to obey God's leading as to what they do to influence lives for the Kingdom. Nothing is impossible with God, and we are always thrilled to hear the reports given to us by F. Herrera of the different ways God chooses. Please pray for protection and God's leading for this TMI family.

Sharing God's Love in Honduras

As the children from the Children's Home grow into young adulthood, future decisions must be made. Kenia chose to study at the

Bible Institute and graduated in May. Jessica has just arrived and is in classes there. Much love is shown to these children. TMI missionary, Elda Martinez, is a faithful friend, teacher, mother, cook and much more to the residents of this home.

Sharing God's Love from Headquarters

Distribution Center Ministries

We continue to receive clothes, food, household goods, furniture, and much more to be distributed to evangelical churches, our TMI staff and people in need. The Bible teaches about helping to meet the physical needs of others and at the same time we share God's love and care.

Please be reminded that they must be in good running order, clean, and completely useable. Please phone before bringing a load of goods.

Bible Correspondence Department

What a blessing it is to receive letter from people from different Spanish speaking countries who desire to study the Word of God by correspondence. The lessons are also offered in English and many of the students are prisoners. The Word of God is powerful. The study of the Word is changing lives and entire families.

PARTNERSHIP

All TMI missionaries must have their own partnership team and therefore no one receives any salary from TMI. If you would be interested in helping to support one or more of our Mexican national workers, please contact Director Ron Hoffman for suggestions.

Sharing God's Love in Autlan, Jalisco, Mexico

Antonio Díaz is the pastor of the Star of Bethlehem church. His wife, Silvia, is at his side working as well in the migrant camps. There are so many children and

youth in these families who need attention, love and the message of Jesus. Antonio & Silvia are graduates of the Bible Institute of TMI and they have been members of TMI for 19 years. —————

Andy and Jessie Clark are dedicated to God in their leadership of La Roca Church, La Roca Coffee-house, as well as La Roca Training Center. Their emphasis in ministry is evangelism and discipleship. People continually go to them for counsel and spiritual direction.

Pray for the ministry in this area of Mexico which is considered part of the 10/40 window in missions.

Another area of Mexico which touches the heart of God is Brasil, in rural Chiapas .

While Antonio López Martinez was a student at a Bible Institute, he was also the youth pastor at Emmanuel Baptist Church in Ensenada, B.C. He was

Lupe, Hubeydi, Antonio, Ever

discipled by Pastor Ever Pérez. Four years ago God touched his heart to be a missionary in southern Mexico. He and his wife, Hubeydi, faithfully walk hours in the mountainous area of Brasil to visit the Christians, to share Jesus and His salvation as well as leading the growing congregation.

TMI Schools Share God's Love

Ron Hoffman is now back temporarily as principal of Tecate Christian School along with his other TMI leadership duties. He is working with a united team of teachers and volunteer staff. During the days of orientation, 13 gathered around the table to prepare for the academic school year. There will be some changes in the program, but the focus remains to share Jesus and what it means to have a vibrant Christian walk to the students and their parents. A wonderful addition

is the reestablishment of the 7/8 grade. Eight students excitedly apply themselves to both online and print studies led by John Jenstad.

Another TMI school is in session in La Cumbre, Chihuahua, Mexico under

the leadership of missionary Jesus Rivera. Around 35 Raramuri children are studying in Spanish. Some of them walk for miles in order to attend. The school meets all of the requisites of the Mexican government and, in addition each day is saturated with Biblical teaching. Entire families have come to understand and accept salvation in Christ through this venue.

Bible Institute of TMI Shares God's Love

The Institute staff under the leadership of Kent Traylor is showing love to students who have come from different areas of Mexico and Honduras. For some, they are entering into a new "world of experiences, food, culture and relationships'."

Join us in praying that the students might diligently and humbly open their hearts to learn, and to apply Biblical truths to their lives.

New Possibilities of Extending God's Love

Missionary Esteban Hinojosa is investigating the possibilities of starting an ACE school for children who are not able

to attend a school because their parents do not have resources. Esteban & his wife are taking the ACE training, and are praying about this opportunity. They request that you pray with them concerning this new outreach into the community of San Mateo del Mar, Oaxaca.

As you read this newsletter, Director Ron Hoffman is spending 10 days with missionary Jesus Rivera as they celebrate 10 years of ministry in La Cumbre. They will also be visiting the new mission station which is being led by the first convert of this ministry, brother Alberto and his wife, Lupe. Watch for further updates..
