## Working Together for the Kingdom

Following months of planning and preparation, three TMI churches gathered together in San Mateo Del Mar, Oaxaca, with Pastor Esteban Hinojosa, to participate in a four day youth camp. Enthusiastic young people accompanied their pastors Eduardo and Araceli Morales from Oaxaca City, David and Lorena Aguilar from Comalapa, Chiapas, plus the young people from Esteban's church and others in the surrounding area. The days were filled with teaching, worship, lots of food, and times of fun as well as relaxation.

A greater work was done in the hearts of many of the youth. Our prayer is that *"He who has begun a good work in them, will perform it until the day of Jesus Christ"* (Philippians 1:6).

Pastor Esteban has opened another area where Bible studies are being held. The message of the Gospel continues to go out over the airwaves by radio in both the Huave and Spanish languages. This same pastor is encouraging young people to be better prepared to serve the Lord. He reports the possibility of 4 new students interested in attending the Bible Institute in Tecate, in August.

The church, Comunidad Gracia Redentora, in Oaxaca, with Pastor Eduardo Morales, celebrated their **7th anniversary**. TMI missionary Victor López was invited to be the speaker at this event. We thank the Lord for this lighthouse in the city of Oaxaca. Victor continues to train Christians by meeting weekly in classes and by encouraging the groups in their self study.

**NOTE:** Esteban Hinojosa, Eduardo Morales, Victor López, David and Lorena Aguilar are all graduates of the Bible Institute of TMI and are working together in Kingdom ministry. Araceli was on office staff. Director Kent Traylor and staff are always so encouraged to find the alumni actively engaged in ministry and for those who are working together producing a stronger impact on more lives!!

## Working Together for the Kingdom

Executive Director Ron Hoffman met at the Bible Institute, with some of the TMI missionaries working along the border, to challenge them to continue on faithfully, following TMI's completion of 60 years of out-reach with the Gospel. How grateful we are for the many lives that have been redeemed and disciplined through the years of dedicated service.

In March, Ron Hoffman invited all of the TMI missionaries in the state Oaxaca to meet together for three days of fellowship and strategizing for future ministry. The Lord used Ron to challenge these dedicated TMI workers to work with one another in order to accomplish amplified lasting results for the Kingdom. The missionaries, quickly without delay, responded to make solid plans. You have read some results of this planning on the front page of this letter.

Sunday a.m. and Wednesday p.m. the services from Rincon Baptist Church are transmitted on the internet and can be viewed on FB. People from a distance are being blessed.

In June, the church will be sending Keila Valdez on a 6 -week missionary

trip to Dar es Salaam, Tanzania, to learn and minister with

TMI missionaries, Victor and Daniela Estrada. Keila is studying medicine at the University, yet she desires to keep her passion to be a medical missionary. May this be an unforgettable time for her and for many others. Pray for Keila and Victor and Daniela!
