Dr. Sam Burton went to glory November 2022 following a full life of missionary service in Brazil, Uruguay, Mexico and USA.

Partnership

Many join with us in working hands-on, supporting financially, praying and encouraging.

Continually the TMI missionaries are seeking to obey that Great Mandate to make disciples as found in Matthew 28:19, *"Go therefore and make disciples of all nations...."*

Let us continue to work together for the Kingdom! We need you to complete our task.

Words from the Heart of the Executive Director, Ron Hoffman

The new year is well underway, and COVID seems to be having less of a global impact. Yet, in many parts of Mexico, there still remains the all too common problems with drug cartels, kidnappings, and violence. In the United States, prices for fuel, utilities and food seem to be soaring. In Africa, countries suffer under even harsher conditions with little governmental assistance and much religious persecution continues. Europe, and especially the Ukraine is are sadly affected by the Russian war against Ukraine.

Our Lord's Great Commission — Matthew 28:19,20 **"Go therefore and make disciples of all nations....."**

All of the world's tragic events today, speak loudly of the fact that this command is even more urgent now than ever! The **GO** in verse 19 is to **all the nations**, to these desperately troubled areas. The **"I am with you always"** of verse 20 echoes Matthew 1:23 where Isaiah 7:14 is quoted, **"Behold the virgin shall be with child, and bear a Son, and they shall call His name Immanuel, which is translated, God with us."**

We don't **GO** alone, but we must **GO!** In our **GOING**, we must remember the scope of His commission... to **"all the nations..."** the far away, difficult, and dangerous as well as the close, easy, and safe - we **GO**.

Jesus said, in John 20:21, **"Peace be with you! As the Father has sent Me, I am sending you!"** The Lord is sending us, so we must all participate in the **GOING**. Some of us will **GO**, some of us will **SEND**, neither can exist or be obedient to our Lord without the other. We can see this modeled for us by the early church in the book of Acts.

During these challenging days, we must be even more diligent to rise to the call of our Lord, to set ourselves to prayerful intercession on behalf of our brothers and sisters who are suffering while proclaiming the Gospel of our Lord and to intercede for those who have not yet accepted His gift of salvation.

We must determinedly set ourselves to the task of either sacrificially **sending**, by prayer and financial support, or physically **going to all nations** in obedience to our Lord's command.

What is your response today?

Will you help us continue to **send** the Gospel around the world or are you willing to **go**? (see the opportunities on the next page).

Answering the Call To **Go**

TMI missionaries Fernando and Monse Herrera felt God was calling them to **go** into missionary service. They individually told the Lord, "Here am I, **send** me!!!" The Herreras left their homeland in Mexico to **go** across the ocean to a closed country where much of their ministry had to be

done underground. Due to the restrictions, they transferred to Spain where they are responding to open doors for evangelism and discipleship, as well as maintaining communication and encouragement to those left behind. Fernando is teaching a class called *Chronological Method of Evangelism/ Discipleship* at the Bible Institute of TMI using the internet. His burden is to prepare students' hearts to be willing to **GO**. Each willing person needs a team of those who will be **senders**.
