*People Reaching People
for the Kingdom of God*

The 78 missionaries plus dedicated part-time volunteers of Tecate Mission Int'l have one goal with different ministries seeking to reach this goal.

We exist to serve Jesus Christ and His Church by reaching the lost, developing mature disciples, and building God's Kingdom in Mexico and the uttermost parts of the earth.

- 24 established churches & additional church planting in progress
- Most churches have accompanying ministries such as breakfast feeding programs, children's clubs, camps, and more
- Tecate Christian School grades 1-8
- Second Chance School grades 1-12
- Alfarero School grades 1-12
- Prison and ex-prisoner ministries
- Teaching, discipleship, evangelism

There are ministries with food and God's Word with food given in hospitals, Rehab Centers, film and street evangelism, Bible Correspondence lessons, Distribution Center for pastors, and so much more.

God Is at Work in Hearts

It is interesting how the Lord prepares different hearts to do

His work here on earth. He puts us together so that we can be a stronger force for Him. As missionaries, we must be faithful to do what the Lord asks us to do individually and corporately to complete our part in that Great Mandate left for us in Matthew 28:18-20.

*Teaching people
around the world, with
the message of God's
Word.*

Touching Lives One by One

Antonio and Silvia Díaz graduated from the Bible Institute of TMI (*known then as Jericho Bible Institute*). Following their training, they went to Autlán, Jalisco to plant a church. They have established and pastored faith-fully, The Star of Bethlehem Church.

They also are constantly planting seeds in many hearts by weekly teaching at the immigrant camps.

Andy Clark presented the Díazes with their plaque for 25 years of faithful service with TMI.

Andy and Jessica Clark and family ministered in Autlán this summer with a group from Washington. The

Clarks served with TMI for 17 years in Autlán before coming to Tecate. They visited friends and churches including the former La Roca group. This was a time of encouragement observing that the believers are going on with the Lord. The entire group did street evangelism, local outreaches in an orphanage, migrant camp, with youth and church work projects.

Pray that many will be blessed by the supplies of food, clothes, and household goods given from the **DISTRIBUTION CENTER** to the evangelical churches of the area. Pray that needs will be met as people understand the love of Christ.

Reconstructing after Trials

David and Lorena Aguilar are dedicated to building the church, called Jesus Christ is the Only Hope, in Comolapa, Chiapas. They have remained faithful during the times of heavy cartel activity in the area. This resulted in many of their congregants leaving the area for safety reasons. Pastor David says that the church is in a season of "reconstructing" by visitation, evangelism, and seeking to meet the spiritual needs of many. This church has a satellite congregation,

Fraternidad Cristiana, in Motozintla, Chiapas, where David preaches each Sunday afternoon and trains people for leadership.

Physical Church Needs:

- improvements on church sanctuary
- S.S. classrooms
- equipment for worship team

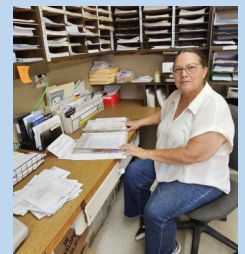

If you wish to help with these needs please designate: [#470.4](#)

Additional TMI missionaries sharing God's Word in Chiapas, Mexico: Roberto & Fidalina Gonzales, Antonio & Hubeydi Martinez

Pray for these dedicated missionaries seeking to make a difference for eternity. Pray for their protection and effectiveness in service.

Bible Correspondence Department

Lessons are sent by mail in Spanish and in English. Students diligently study the Bible and return their lessons to continue learning.

Isaiah 55:11 "His Word will not return void."

"I am thankful for these courses. I found Christ through these studies while I was on death row..."

Rejoicing in the Sinforosa, Chihuahua

Missionary Jesús Rivera tells of the joy in the hearts of the people of Sinforosa following the tedious 3 trips of taking supplies of a door and windows to this small church. Pastor Jesús quoted, Psalm 127:1, *"Unless the Lord build the church, the builders labor in vain..."*

Several responded to the last newsletter, regarding the need of 50 chairs for this church, costing \$23 each. (It is better when people can be seated during the service.) Thank you!

There is still a need of 28 additional chairs.

Pray for new souls in Sinforosa and for the Christians to grow in their faith.

Tecate Christian School

Classes have begun for the new school year. How happy the children are to be back with their teachers and classmates! God has chosen the teachers for this academic year. We look forward to God working in hearts as the children learn.

Principal Ron Hoffman 1st - Melanie Rodriguez, 2nd - Diana Sandoval & Desiree Sullivan, 3rd - Savannah McGraw, 4th/5th- Rebecca Heib, 6th - Fendi López, 7th/8th - Curt Dokken, Math - Daniel Kapitaniuk

The Second Chance School, (Director Barbara Navarez), is held at the Bible Institute.

Esteban Hinojosa directs the school **Alfarero** in San Mateo, Oaxaca

Much wisdom is needed to handle these precious lives and help to mold their futures.

Children Are Special in God's Heart

During the summer, most of the TMI churches had Vacation Bible School or Bible clubs.

Eduardo and Araceli Morales directed an exciting VBS program at Iglesia Comunidad

Gracia Redentora, where children and youth were challenged with Biblical truths and how to apply them to their daily lives. When the parents were contacted, some children came back to the church on Sunday.

This church has a satellite congregation meeting in a home across the city from the main church. New people are being added to this group as well. Pastor Eduardo has a plurality of leadership which he works with very closely. They maintain the same goal to reach people for Christ and to disciple them to maturity. Pray that their passion might continue to reach and disciple many.

Bible Institute of TMI

Director Carlos Escobar is looking forward to a year packed with training and

learning as the students dedicate themselves to their studies and practical work assignments.

Each of the teaching faculty is in the process of being approved by SEP (Department of Education) in Mexico, enabling the students to receive government recognition and certification. This does not change the curriculum or emphasis on Biblical teaching.

Presently, 22 graduates of the Bible Institute have come back into TMI membership and are full-time missionaries.
